

# FDS *ad eundem*

## Route B

Candidates who have not passed an Intercollegiate Specialty Board Examination or a Fellowship in Dental Surgery examination of one of the Royal Colleges of UK or Ireland, may be admitted as Fellows *ad eundem* by an equivalence route. In order for the Board to be satisfied that their standing in the profession of dental surgery is equivalent to those individuals who already hold FDS, applicants are required to fill in an application form which details evidence of appropriate achievements.

The table shown below gives examples of achievements which would be considered as evidence of attainment at the appropriate level to be considered for the award of FDS *ad eundem*. It is accepted that an applicant's achievements may not be equally split across the different domains but it is expected that an individual would be able to show some evidence in each of the domains.

FDS	Major	Minor
<b>Clinical practice</b>	<ul style="list-style-type: none"> <li>Major contribution to clinical practice, development of new techniques, recognised expertise in certain area(s)</li> </ul>	<ul style="list-style-type: none"> <li>Hold a senior clinical position/or honorary position – (consultant/ senior dental officer/ associate specialist)</li> <li>Specialist listing or equivalent</li> <li>Qualified as a dentist for more than 10 years</li> <li>In good standing</li> </ul>
