

INDICATIVE PROCEDURES

Region	Sub division of Operations	Full description of Procedure	Simple	Complex	Advanced	Number as	Number as	Total points
		<i>* You may unbundle operations if procedures required separate incisions</i>	1 point	2 points	3 points	1st surgeon	assistant	
Ankle	Tendons	Peroneal tendon repair / tubularisation						
Ankle		Peroneal tendon groove/sling reconstruction						
Ankle		Peroneal Tenodesis						
Ankle		Peroneal Grafting						
Ankle		Peroneal Tendon transfer for foot drop						
Ankle		Peroneal Tendinoscopy						
Ankle	Ligaments	Tibialis Posterior tendinoscopy						
Ankle		Modified Brostrum / Gould procedure (lateral ligaments)						
Ankle		Internal Brace Augmentation						
Ankle		Auto-allograft Ligament reconstruction						
Ankle		Deltoid repair						
Ankle		Repair of chronic syndesmosis injury						
Ankle	Arthroscopy	Fusion of syndesmosis						
Ankle		Diagnostic anterior ankle arthroscopy						
Ankle		Anterior arthroscopy inc. cheilectomy						
Ankle		Anterior arthroscopy for osteochondral lesion						
Ankle		Arthroscopic Lateral Ligament repair						
Ankle		Posterior Ankle Arthroscopy - os trigonum or impingement						
Ankle	Open Chondral Surgery	Cartilage membrane implantation						
Ankle		OATS procedure						
Ankle	Supra-malleolar osteotomy	Either of above with medial malleolar osteotomy						
Ankle		Medial approach to tibia (+/- fibular osteotomy)						
Ankle		Lateral approach to tibia (+/- fibular osteotomy)						
Ankle	Arthrodesis	Dome osteotomy tibia (+/- fibular osteotomy)						
Ankle		Open Ankle Arthrodesis						
Ankle		Arthroscopic Ankle Arthrodesis						
Ankle		Revision Ankle Arthrodesis.						
Ankle		Tibio(-talo)-calcaneal fusion with nail/plate/frame fixation						
Ankle		Arthroplasty	Simple Primary total ankle arthroplasty (sole procedure)					
Ankle	Complex Primary total ankle arthroplasty							
Ankle	Custom talar prosthesis +/- sub-talar fusion							
Ankle	Revision total ankle arthroplasty - first stage							
Ankle	Grafting of cysts in total ankle replacement							
Ankle	Debridement of TAR gutters -open							
Ankle		Debridement of TAR gutters -arthroscopic						
Ankle		Revision total ankle arthroplasty - second stage						
Ankle		Revision total ankle arthroplasty - single stage						
Ankle		Revision of total ankle arthroplasty to fusion						
Hindfoot	Calf-Achilles tendon complex	Gastrocnemius lengthening - proximal medial head						
Hindfoot		Gastrocnemius lengthening - mid-calf level (e.g. Strayer release)						
Hindfoot		Achilles tendon lengthening - percutaneous						
Hindfoot		Achilles tendon lengthening - open						
Hindfoot		Achilles tendinoscopy						
Hindfoot		Debridement of achilles tendinopathy						

Hindfoot		Achilles tendon debridement with FHL transfer - open						
Hindfoot		Achilles tendon debridement with FHL transfer - endoscopic						
Hindfoot		Open excision of Haglunds deformity +/- Achilles re-attachment						
Hindfoot		Arthroscopic or minimally invasive excision of Haglunds deformity						
Hindfoot		Zadik's osteotomy for Haglunds deformity						
Hindfoot	Calcaneus	Calcaneal body translocation osteotomy						
Hindfoot		Lateral Column lengthening osteotomy						
Hindfoot		Double calcaneal or Z osteotomy						
Hindfoot	Arthrodesis	Subtalar Fusion (arthroscopic / Open)						
Hindfoot		Talonavicular Fusion						
Hindfoot		CCJ Fusion						
Hindfoot		Double or Triple Fusion						
Hindfoot		Pantalar fusion						
Hindfoot		Revision Hindfoot Fusion						
Hindfoot	Medial arch procedure	FDL transfer +/- Spring ligament repair for acquired flat foot						
Hindfoot		Subtalar Arthroereisis						
Hindfoot		Kidner procedure or fixation of accessory navicular						
Hindfoot	Arthroscopy	Hindfoot joint arthroscopic procedure						
Midfoot	Osteotomy	Cotton Osteotomy						
Midfoot		Multiple midfoot osteotomy for deformity correction						
Midfoot	Arthrodesis	Naviculo-cuneiform joint fusion						
Midfoot		Complex medial column fusion for Navicular necrosis						
Midfoot		2nd/3rd TMT joint fusion - no deformity correction						
Midfoot		Multiple midfoot fusion - deformity correction						
Midfoot		Revision midfoot fusion						
Midfoot	Arthroplasty	4th / 5th TMT joint excision arthroplasty						
Forefoot	Hallux Valgus	Chevron osteotomy						
Forefoot		Scarf osteotomy (+/- Akin osteotomy)						
Forefoot		Basal metatarsal osteotomy						
Forefoot		Lapidus procedure						
Forefoot		Minimally invasive osteotomies						
Forefoot		Revision osteotomies						
Forefoot	Hallux Rigidus	1st MTPJ Cheilectomy - open or minimally invasive						
Forefoot		1st MTPJ arthrodesis						
Forefoot		1st MTPJ arthroplasty						
Forefoot		Revision arthrodesis without bone graft						
Forefoot		Revision arthrodesis with structural bone graft						
Forefoot	Other Hallux procedures	Akin osteotomy (as sole procedure)						
Forefoot		Soft tissue procedure +/- osteotomy for Hallux varus						
Forefoot		Robert Jones procedure						
Forefoot		IP joint arthrodesis						
Forefoot		Sesamoidectomy						
Forefoot		Sesamoid fixation						
Forefoot		1st MTP joint arthroscopy						
Forefoot	Lesser Ray Surgery	IP joint arthrodesis (single or multiple)						
Forefoot		IP joint arthroplasty (single or multiple)						
Forefoot		Lesser toe osteotomies (inc. minimally invasive)						

Forefoot		Soft tissue release MTPJ (tendon/capsular)						
Forefoot		Weil or MIS metatarsal osteotomies (single or multiple)						
Forefoot		Proximal metatarsal osteotomies (eg BRT)						
Forefoot		Osteotomy for Freiberg's infraction						
Forefoot		Correction of MTPJ deformity (osteotomy/repair/tendon transfer)						
Forefoot		Stainsby excision arthroplasty						
Forefoot	5th Ray surgery	Distal metatarsal osteotomy for Bunionette						
Forefoot		Proximal / diaphyseal metatarsal osteotomy for Bunionette						
Forefoot	Combined	Rheumatoid forefoot reconstruction						
Forefoot	Other forefoot surgery	Excision of Morton's neuroma						
Forefoot		Excision of ganglion						
Forefoot		Excision of benign tumour						
Forefoot		Wedge resection / ablation Ingrowing toenail						
(Some Paeds operations will be found in adult sections)								
Paediatric	Syndactyly / polydactyly	Excision of accessory toes						
Paediatric		Soft tissue reconstruction						
Paediatric		Bony + Soft Tissue Reconstruction						
Paediatric	Brachydactyly	Metatarsal Lengthening						
Paediatric	Macrodactyly	Debulking +/- Osteotomy +/- Epiphysiodesis						
Paediatric	OCD Talus	Fixation of OCD lesion talus						
Paediatric	Tarsal coalition	Excision of Calcaneo Navicular Coalition						
Paediatric		Excision of Talo Calcaneal coalition						
Paediatric	Pes Planus	Arthroereisis (Bony or Implant) +- other bony/soft tissue procedures						
Paediatric		Lateral Column Lengthening +/- other bony/soft tissue procedures						
Paediatric	Pes Cavus	Posteromedial +/- Achilles soft tissue release only						
Paediatric		Osteotomies (eg calcaneal) +/- soft tissue release/repair						
Paediatric		Osteotomies + soft tissue release/repair + Tendon transfer						
Paediatric		Wedge Tarsotomy						
Paediatric	Mid foot deformities	Corrective Midfoot Osteotomies inc. metatarsus adductus						
Paediatric	Equinus Foot	Posterior Capsule + Achilles Release						
Paediatric	Congenital deformities	Ponsetti method for CTEV +/- Achilles tenotomy						
Paediatric		Talectomy						
Paediatric		Tibial osteotomy						
Trauma	Generic	Application spanning external fixator						
Trauma	Ankle	Internal fixation fibula – plate, nail						
Trauma		ORIF medial malleolar fracture						
Trauma		ORIF bi-malleolar fracture						
Trauma		ORIF with syndesmosis repair						
Trauma		ORIF triplane fracture						
Trauma		ORIF posterior malleolar fracture through posterior approach						
Trauma		ORIF rotational pilon fracture						
Trauma		ORIF/hybrid/frame fixation of axial pilon fracture						
Trauma	Talus	Closed reduction foot dislocation						
Trauma		ORIF osteochondral fracture talar dome						
Trauma		Arthroscopic excision of bone/fracture debris from ankle joint						
Trauma		ORIF lateral process talus						
Trauma		Closed reduction and internal fixation talus fracture						
Trauma		ORIF talar neck fracture						

Trauma		ORIF talar body fracture - no osteotomy						
Trauma		ORIF talar body/neck fracture - malleolar osteotomy						
Trauma	Calcaneus	Reduction and internal fixation calcaneal tuberosity						
Trauma		Reduction and internal fixation sustentacular fracture						
Trauma		ORIF anterior process fracture						
Trauma		Closed reduction and IF intra-articular fracture calcaneus						
Trauma		ORIF through sinus tarsi approach						
Trauma		ORIF through extended lateral approach						
Trauma	Navicular	ORIF navicular fracture						
Trauma		Percutaneous IF acute or chronic navicular fracture						
Trauma		Bridge plating medial column injury						
Trauma		Secondary ORIF +/- bone grafting navicular stress fracture						
Trauma	Cuboid	ORIF cuboid fracture						
Trauma		Bridge plating lateral column injury						
Trauma	Tarsometatarsal injury	ORIF simple tarsometatarsal injury eg reduction of Lisfranc joint alone						
Trauma		ORIF multiple tarsometatarsal fracture dislocations						
Trauma		Primary fusion						
Trauma		Hybrid primary fusion and ORIF						
Trauma	Metatarsal fractures	ORIF acute fracture						
Trauma		Intramedullary wiring metatarsal						
Trauma		Secondary ORIF +/- bone grafting stress fracture						
Trauma	Miscellaneous dislocations	Reduction and stabilisation lesser toe MTPJ						
Trauma		Reduction and stabilisation (PJ) any digit						
Trauma		Turf toe repair / reconstruction						
Trauma	Tendon repairs	Acute repair of Achilles tendon - open						
Trauma		Acute repair of Achilles tendon - MIS						
Trauma		Delayed Achilles reconstruction - FHL transfer						
Trauma		Delayed Achilles reconstruction - local tissue or graft						
Trauma		Delayed Achilles reconstruction - endoscopic FHL transfer						
Trauma		Primary repair extensor tendon laceration/rupture						
Trauma		Primary repair any other tendon laceration/rupture						
Diabetes/neuropathic foot	Infection & ulceration	Incision, drainage and debridement acute diabetic foot						
Diabetes/neuropathic foot		Debridement osteomyelitis						
Diabetes/neuropathic foot		Exostectomy						
Diabetes/neuropathic foot	Deformity correction	Achilles tendon lengthening						
Diabetes/neuropathic foot		Percutaneous/MIS toe deformity correction						
Diabetes/neuropathic foot		Triple fusion +/- tendon transfers						
Diabetes/neuropathic foot		Hindfoot Charcot reconstruction						
Diabetes/neuropathic foot		Midfoot Charcot reconstruction						
Diabetes/neuropathic foot		Any midfoot/hindfoot Charcot reconstruction using fine wire fixator						
Miscellaneous	Amputation	Minor amputation (toe)						
Miscellaneous		Minor amputation (ray)						
Miscellaneous		Minor amputation (transmetatarsal)						
Miscellaneous		Major amputation (Chopart, tarsectomy, Syme's, transtibial)						
Miscellaneous	Plantar foot	Excision of Plantar fibromatosis						
Miscellaneous		Partial plantar fasciotomy / release						
Miscellaneous	Tendon	Tenotomy
