## Application for Reasonable Adjustments or Special Access Arrangements

If a candidate has a permanent or temporary disability, the Royal College of Surgeons will endeavour to facilitate arrangements to accommodate this.

Candidates wishing to apply for special consideration must notify the examinations department, in writing, upon application or as soon as possible following the commencement of the disability if this is after the application date e.g. sudden accident/illness. Adjustments cannot be made on the day of the exam.

All requests must be accompanied by original medical documentation. In the case of dyslexia, a full Educational Psychologist report is required.

Candidates should send a copy of their medical documentation (either the original or an electronic copy) to the Examinations Department **within one week of application**. Medical documentation sent at a later date will not be considered. All reports will be returned at the candidate's request. The Royal College of Surgeons may not be able to accommodate a reasonable adjustment or access request if there is insufficient time between receiving the medical documentation and the examination date.

The Royal College of Surgeons Reasonable Adjustment Policy is available upon request.
