

Q-PROM preoperative questionnaire

FACE-Q – Facelift

Important: Please note that the same FACE-Q tool is used both pre- and postoperatively.

Satisfaction with facial appearance overall

With your entire face in mind, in the past week, how dissatisfied or satisfied have you been with:

	Very dissatisfied	Somewhat dissatisfied	Somewhat satisfied	Very satisfied
a. How <u>symmetric</u> your face looks?				
b. How <u>balanced</u> your face looks?				
c. How <u>well-proportioned</u> your face looks?				
d. How your face looks at the <u>end of your day</u> ?				
e. How <u>fresh</u> your face looks?				
f. How <u>rested</u> your face looks?				
g. How your <u>profile</u> (side view) looks?				
h. How your face looks in <u>photos</u> ?				
i. How your face looks when you first <u>wake up</u> ?				
j. How your face looks under <u>bright lights</u> ?				

Scoring key: Very dissatisfied = 1, somewhat dissatisfied = 2, somewhat satisfied = 3, very satisfied = 4

These tools have been developed by The Memorial Sloan Kettering Cancer Centre (MSKCC) who have granted royalty-free use as part of the RCS data collection initiative. MSKCC charge for-profit researchers to use these tools.

If you are an RCS member you can access the scoring tables through your College login. Other users should contact Anne Klassen (aklass@mcmaster.ca).
