

Q-PROM preoperative questionnaire

FACE-Q – Rhinoplasty

Important: Please note that the same FACE-Q tool is used both pre- and postoperatively.

Satisfaction with nose

With your nose in mind, in the past week, how dissatisfied or satisfied have you been with:

	Very Dissatisfied	Somewhat Dissatisfied	Somewhat Satisfied	Very Satisfied
a. The <u>width</u> of your nose at the bottom (from nostril to nostril)?				
b. The <u>length</u> of your nose?				
c. How the <u>bridge</u> of your nose looks (where glasses sit)?				
d. How well your nose <u>suits</u> your face?				
e. How <u>straight</u> your nose looks?				
f. The <u>overall</u> size of your nose?				
g. The shape of your nose in <u>profile</u> (side view)?				
h. How your nose looks in photos?				
i. How the <u>tip</u> of your nose looks?				
j. How your nose looks from every <u>angle</u> ?				

Scoring key: Very dissatisfied = 1, somewhat dissatisfied = 2, somewhat satisfied = 3, very satisfied = 4

These tools have been developed by The Memorial Sloan Kettering Cancer Centre (MSKCC) who have granted royalty-free use as part of the RCS data collection initiative. MSKCC charge for-profit researchers to use these tools.

If you are an RCS member you can access the scoring tables through your College login. Other users should contact Anne Klassen (aklass@mcmaster.ca).
